

BE PREPARED!

Visit beachcitiesCAER.org
for instructions on
signing up for your city
or county alert system.

In the case of airborne
hazardous materials, this
system will alert you via
phone, email, or text.

SCAN ME

Beach Cities CAER is a non-profit
public benefit organization focused on
providing improved community
engagement, emergency response
education, and enhancing public
health and safety.

We are a team of public agencies, city
emergency management
professionals, fire departments,
schools, manufacturing industries,
chemical producers and transporters
in the South Bay region. Our goal is
continuous improvement in the areas
of community awareness, emergency
preparedness and coordinated public
agency and industry response
programs.

*Stay safe in the event of
airborne hazardous
materials.*

***Learn what to do until
the air has cleared with
Shelter in Place.***

SHELTER

1

Go indoors immediately; either your home or the nearest building. Bring in pets without risk to yourself.

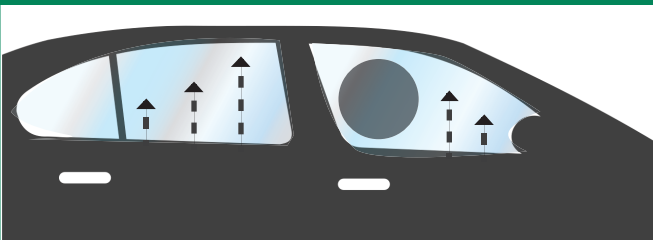

Choose an inside room with as few windows and doors as possible.

2

3

Vehicles: close windows and vents, and turn off air conditioning/heating. If driving, continue unless officials say otherwise.

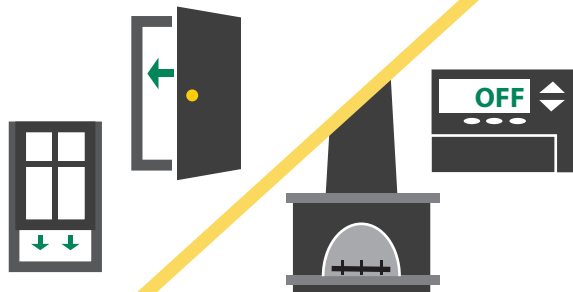

SHUT

SEAL OFF OUTSIDE AIR

4

Shut all doors and windows.

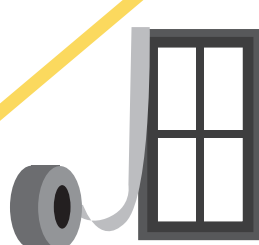

Turn off heaters, air conditioners, ventilation fans, and close fireplace dampers.

5

ADDITIONAL RECOMMENDATIONS

6

Cover your nose and mouth with a wet cloth.

Seal windows with duct tape.

7

LISTEN

8

Monitor KNX 1070AM or your local TV station for updates.

Wait for an all-clear and follow instructions from local emergency management authorities.

9

10

Refrain from using your phone to keep lines free for emergency responders.
